

# Mobile Display Towers

Designed to Fit.  
Built to Last.

# SICO® QUALITY

SICO® Mobile Display Towers are flexible, multi-functional and timeless. The vertical display is the perfect solution for Food and Beverage presentation, general display or during social hour as a bar back. Available with laminate or wood veneer shelves and brushed stainless steel or powder coated frame. Personalized to complement your space.

## Functional

Use to display food and drink, as a bar back, to display information or as food service carts for table side service.

## Mobile

Roll into and out of use on 3" (8cm) casters. Even setup in back of house and roll into place fully stocked.

## Personalize

Select your shelf and frame finish from a wide variety of standard options. Personalize with your selected finishes.

## Two Distinct Styles

**Avalon**

**Riviera**

## Display Tower Features

Brushed Stainless or Powder Coated Frame

Laminate or Wood Veneer Reversible Shelves

150 lb (68kg) Individual Shelf Capacity  
(100 lb (45kg) for 1/2 Shelf Size)

3" (8cm) Casters

# FEATURES & BENEFITS

## Shelves

### Reversible Design\*:

Easily change the look and add longevity by flipping the shelf to the other side.

### Laminate Option:

Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear. Solid MDF core. A variety of laminate patterns to complement any decor. Each side of shelf can be a different laminate selection.

### Wood Veneer Option:

Beautiful oak or maple veneers on a solid MDF core. Choose from 12 stain options that are designed for both beauty and commercial durability. Both sides of shelf is the same veneer and stain option.

### Multiple Size Options:

Regardless of the application, we have multiple size options that will fit your needs. Each size has different shelf clearances.

## Transport

### Roll Into & Out Of Use:

Set up in back of house then easily roll into front of house. Single person operation.

### Standard 3" (8cm) Casters:

Hide the casters under the leg for a clean look while maintaining functional transport. Available with zinc or black finish.

### 4" (10cm) Caster Option:

Larger rubber casters make rolling over cobblestone or uneven terrain smoother and quieter. Available with zinc finish.

## Frame

### 14 Gauge Steel Tubing:

The frame is constructed from rectangular steel tube, welded in the corners for superior strength.

### Integrated Shelves:

Each shelf is part of the structural frame to create an extremely rigid display tower that can withstand everyday use.

### Finishes:

Choose from five standard powder coats, or a brushed stainless steel finish to accent your table.

### Mix & Match:

Use multiple finishes to accent your decor and to stand out from the crowd.

## Warranty

Protected by a 1-year warranty against manufacturer's defects. Lifetime warranty on welds. Visit [www.sicoinc.com](http://www.sicoinc.com) for warranty details.

**Serial Number:** Tables are permanently marked for easy identification.

## Space Design

Take advantage of our FREE space design service to determine the optimal layout and number of products for your space.

## Configurations

Use your creativity to set up these display towers in a way to best suit your event needs. Common configurations include:

- Barback
- Reception
- Pre-Function
- Ambient
- Display
- Buffet
- F&B Presentation
- The possibilities are limitless.

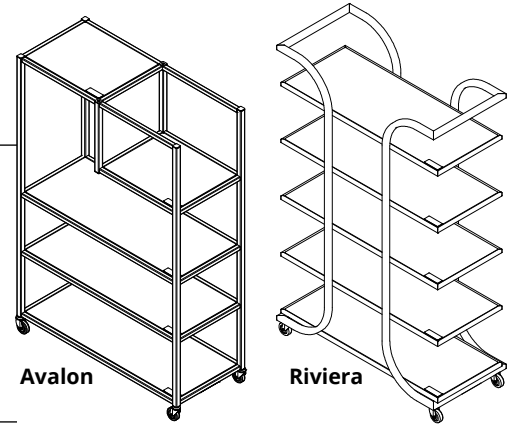

\* Lower Cabinet is not reversible.

# OPTIONS

## Choose Model

Choose from the Avalon or Riviera models. The Avalon has square features and is perfect for modern setups and large configurations. The Riviera has curved features and is ideal for presentation.

Avalon

Riviera

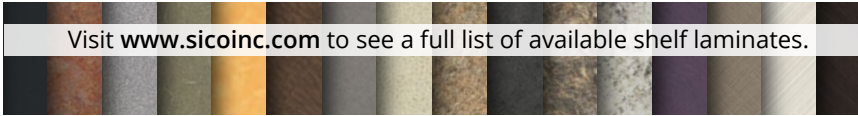

## Choose Sizes

The Avalon has 5 standard size options & The Riviera has 2 size options. Choose to mix and match sizes to create a versatile setup and add flavor to the look and feel of your space.

## Choose Shelf Finish

All Shelves are finished on both sides. Choose a laminate surface with a pattern that suits your needs. This option allows for a different laminate on each side. For a more natural look choose a wood veneer. This option is the same on both sides of the shelf.

### Laminate

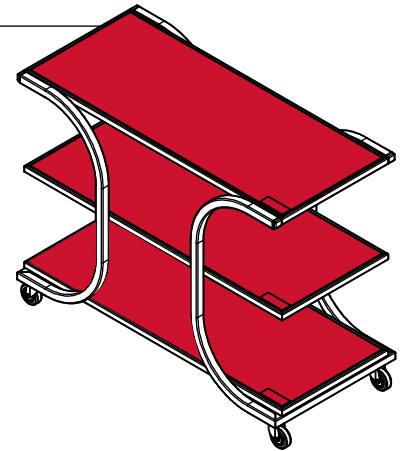

Visit [www.sicoinc.com](http://www.sicoinc.com) to see a full list of available shelf laminates.

### Oak Veneer

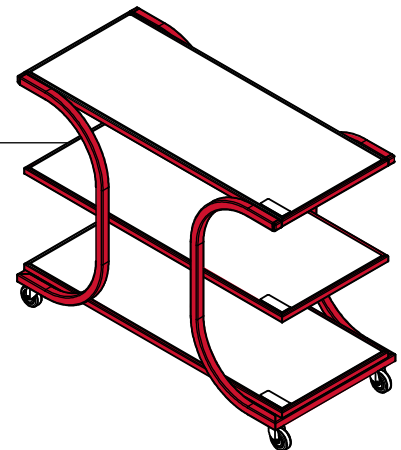

### Maple Veneer

## Choose Frame Finish

Choose from six distinct frame finishes. Choose the high finish of brushed stainless steel or the durable beauty of powder coat. Mix and match these within sets to set your brand apart. Custom frame finishes are also available. Transport casters are available in black or zinc finish.
