TechLite™ Portable Stage & Riser System*

## A Perfect Fit.
Built to Last.

* Patent Pending

SICO®
EXCLUSIVES

Whether your space is large or small, you can mix and match to create the ideal personalized stage and riser system. Adjustable or fixed heights, Riga Heksa Plus decking or carpet, water resistant materials and sealing, along with your choice of accessories, makes the TechLite™ Stage & Riser System the most versatile on the market.
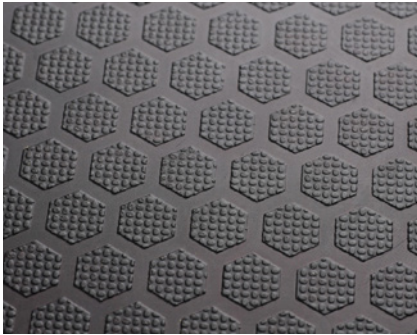

Riga Heksa Plus

Hexagonal patterned deck surface provides high anti-slip properties, even when wet.

Power Lock™ System

An easy and effective way to fasten the leg to the stage.

Alignment Channel

Adjust telescoping leg height with ease.

TechLite™ Features

Multiple Configurations

Lightweight

Storage & Transport Caddies

Accessories

Unit to Unit Connectors

Commercial Aircraft Grade Aluminum Frame

Multiple Surface Options

Reinforced Corners

Power Lock™*

Fixed or Adjustable Leg Heights

Adjustable Glide: *+/- 0.5" (1.3cm)*

*Patent Pending

Frame

Commercial Aircraft Grade Aluminum: Made from high strength, high durability 6005T6 aluminum extrusion. Engineered to be lightweight and rigid.

Comfort Grip: Commercial aircraft grade aluminum is ergonomically shaped to fit comfortably in your hand during assembly/disassembly. Encompasses the bottom of the decking.

Power Lock™*

Exclusive to SICO®: This new locking tab technology, which firmly locks stage legs in place, is made with glass fiber reinforced nylon and proven to be durable for years of everyday use.

One-Handed Use: Simply pull the locking tab to release or lock the fastener quickly.

Load Ratings

Uniformly Distributed Load: 125 lbs/sf (6.0 kN/m^2).

Sway Load: 5% of uniformly distributed load.

Point Load: 550 lbs (250 kg) on a 2″x2″ (5x5cm) area.

Stage Deck

Riga Heksa Plus Decking: Hexagonal dot pattern surface has high wear resistance and anti-slip properties, even when wet. Surface is weather and water resistant and resists commonly used chemicals. Easy to clean and environmentally friendly.

Edge Sealing:** Durable sealant encases the entire deck edge to provide reliant weather and water resistant properties

Carpet: Available in a variety of colors.

Birch Plywood: Tough 14 ply, 18mm Riga Ply birch plywood for added stability and long-term wear.

Phenol Film Backer: Provides balanced construction and seals the underside from moisture and scratching.

Transport & Storage

Each TechLite™ System can be disassembled and placed into caddies for easy transport and storage.

Limited Warranty

Protected by a 5-year warranty against manufacturer's defects. Lifetime warranty on welds. Visit **www.sicoinc.com** for all warranty details.

Legs

Commercial Aircraft Grade Aluminum: High strength, high durability aluminum that is also light weight.

Adjustable Glides: On all legs, for uneven surfaces. +/- 0.5″ (1.3cm)

Telescoping: A wide range of lengths up to 48″ available.

Alignment Channel: Keep adjustment holes aligned while raising or lowering the height of the legs.

Fixed Option: Available from 6″-48″ (15-122cm). Lightweight, easy transport and storage.

Riser Connectors: Secure multiple units together.
- Standard Hook and Loop Strap
- Riser Unit-to-Unit Connectors

Space Design

Take advantage of our FREE space design service to determine the optimal layout and number of products for your space.
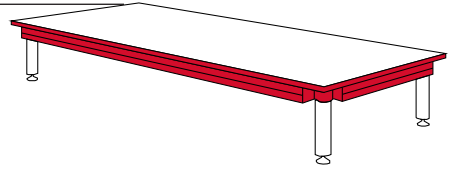

*Patent Pending

***Edge sealing is only available with Riga Heksa Plus surface.*

OPTIONS

Choose Size & Configuration

Choose how large or how small the stage and riser will be while in use and choose configurations that will accomodate your event types.
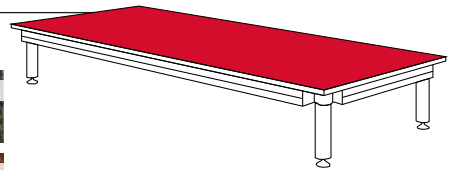

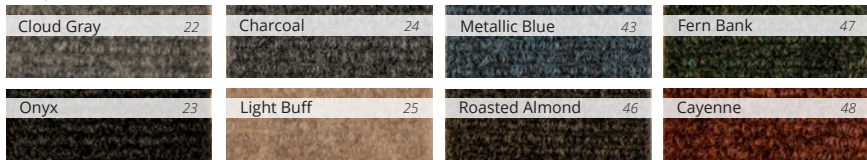

Choose Heights

Choose from telescoping legs that can adjust easily in 4" *(10cm)* increments from 16" *(41cm)* to 48" *(122cm)* or fixed height legs available in heights ranging from 6" *(15cm)* to 48" *(122cm).*
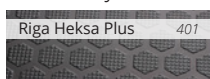

Choose Deck Surface

Carpet

Cloud Gray *22*	Charcoal *24*	Metallic Blue *43*	Fern Bank *47*
Onyx *23*	Light Buff *25*	Roasted Almond *46*	Cayenne *48*

Hard Surface *(Not available on ADA stage ramps)*

Riga Heksa Plus *401*
