

TRANSFORMING SPACES

Clients.

Our leading team has proudly supported the South Pacific hospitality industry for over 35 years. Working with our regions top hotel groups, clubs, convention and events centres, as well as leading architects and builders to provide absolute premium furniture and equipment supply.

Hotels & Resorts

Arenas, Stadiums & Convention Centres

Entertainment Venues

Government & Educational Facilities

SICO has a high quality standard in the manufacturing process for each of its products throughout the world.

SICO South Pacific was certified as part of this world-class manufacturing after meeting a set of stringent operational concepts, principles, policies and techniques including:

- Transportation and travel
- Procurement and supply chain sustainability
- General environmental issues
- Voluntary carbon measurement and offsetting

About.

SICO Is a global company with operations in the USA, Asia Pacific, Europe and the UAE.

SICO's South Pacific office and factory was established on the NSW Central Coast in 1986 as the first supplier to the region for portable performance staging, dance floor and mobile folding tables.

The SICO® South Pacific team has a true passion for supporting our regions hospitality industry and for providing the very best products and customer service possible.

Mobile Folding **Banquet Tables**

SICO Pacer Tables | Darwin Convention Centre

Nesting Storage

Our Pacer tables are just as impressive in storage as they are in service. When not in use, they fold easily for compact, upright placement in even tight areas. Another space challenge solved!

Taking the Work Out of Setup and Teardown

Pacer tables fold and roll quickly and easily into storage and back into action the minute you need them. Plus, they can be easily operated by just one facility management professional, so you can turn rooms faster, schedule more events and drive higher banquet sales without driving up your labor costs.

Pacer

With the Pacer's smart design and variety of shapes you can fit more tables into one space and increase your seating capacity by up to 32%. Plus, its stylish, yet rugged, frame can be folded and rolled effortlessly into storage – by just one staff member. That's SICO® simplicity.

Pacer II

The Pacer II takes the Pacer's durable design and style to the next level. With its seamless tabletop, reinforced with SICO® Armor-Edge® edging, and attractive colours and shape options, the ultra-mobile Pacer II empowers you to quickly transform any area into a productive meeting space.

Folding Leg **Banquet Tables**

The Westin Perth | SICO Folding Leg Tables

Transport Caddies Give You a Leg Up

Minimise staff strain and downtime by using our heavy-duty transport caddies to stack and move our folding leg tables with ease. Each features built-in angle support bars and side rails to keep tables snug and secure and keep your operation rolling.

Veri-Lite II™ Light Weight Tables

SICO's exclusively designed Veri-Lite II™ is an industry setting standard portable lightweight ABS plastic folding leg table made with the strength to stand up to all your commercial table requirements.

Standard Armor-Edge® FLT

Achieve elegance without the expense of linens with our versatile Linenless Armor-Edge® FLT banquet tables. Choose from a variety of sizes and eye-catching colours. Eliminate the need for costly banquet linens while creating a unique experience for your guests.

Plywood Armor-Edge® FLT

These premium plywood folding leg tables are built to last for years. With the rugged Armor-Edge®, heavy-duty legs, aircraft lock-nuts and bolts, and expansion rivets instead of screws, SICO's plywood tables provide years of trouble-free operation.

Mobile Folding **Catering & Event Tables**

Compact Storage

We know that your commitment to creating a unique guest experience is endless, but your facilities' space is not. That's why our rugged catering tables also fold down easily for compact storage allowing you to store multiple tables in a tight footprint.

Get Set, Roll Out To Service

Because our catering and buffet tables move so smoothly and so quietly, you can easily roll in a coffee service or lunch without creating a distraction — and never worry about disturbing an in-progress meeting again.

Two Tier

Finally. Tables designed to cater to your serving and pre-set needs. Our versatile catering tables can be in the kitchen and rolled into use by one person, reducing labour costs and minimising noisy meeting interruptions. The versatile racks allow for extra storage.

Deluxe Two Tier

A linenless catering option, the deluxe catering table combines an upscale look, with a large serving area. Available in a variety of laminate options, this table combines style, mobility, and durability in one elegant package.

RETHINK YOUR SPACE...

NEW! Mobile Bars

Mobile Events Anywhere

SICO® Mobile Bars are essential if you are looking to elevate your event. Designed for optimal functionality and appearance creating exciting events and guest experiences is easily achieved. Design any bar from a rustic, modern or luxurious theme to complement any décor.

Enhance your guest experience with classic metal leg nesting tables. With clean lines this durable and stylishly designed table is perfectly suitable for unlimited uses. Arrange in traditional or unconventional layouts creating unique serving and action stations. Crafted from tubular steel and your choice of top options in a variety of finishes that complement any décor.

Nested **Food & Beverage Displays**

The Westin Perth | Cubo Folding Displays

The Latest In Cross Frame Buffets

Simply lift the top, fold the frame flat and place them on the caddy. One table frame folds flat to a thickness 8-9cm.

Configurable in a variety of functional and stylish set ups. Combine shapes and sizes to create visual interest and functionality to any event, the possibilities are endless.

Nested Sets Glass Top

Versatile, durable and space saving make the NEST Buffet Tables the perfect choice for the F & B industry. Easy to maintain, the tables are specified as they are offer more form and function, are easy to configure and with the option of bridging one table to another, gives endless possibilities for buffet layouts. When not in use the tables are easily nested and space can be freed up in minutes.

Glass Top Cross Frames

The ultimate in space saving nested sets with attractive stainless steel flanges which keep glass in place. Optional front and side panels these mobile nested sets allow for quick change overs between events and an appealing modern display for guests.

Diamond Cross Frame Buffet Tables

The elegant, simple design of the Diamond Cross Frame Buffet Tables makes any event a show stopper. The reversible tops and configurable construction makes any arrangement possible for any event. The top lifts off and the frame folds flat. Simply roll the tops and frames into and out of storage on one of our table caddies.

Meeting and **Conference Tables**

SICO® Folding Leg Tables
Quest Perth Ascot - Conference room

New Transport Technology

Transport caddies available to accommodate all sizes and shapes of SICO® folding leg tables. Heavy-duty caddies are built to last with SICO's renowned attention to quality. Built-in angle support bars and side rails keep folding leg tables in place during transport.

Standard Armor-Edge® FLT

Featuring the SICO Armor-Edge® profile to keep tops flat. The SICO® Standard Armor-Edge® FLT portable folding table takes folding leg tables to the next level, offering unprecedented durability and ease of operation while enhancing your space in a variety of important ways. Choice of modern top colours available.

Modesty Panel Semi-App FLT

Premium grade modesty panel tables built to last for years of daily use within busy meeting and conference spaces. With a range of modern top colours and Armor-Edge® to suit your design requirements.

Veri-Lite II

SICO's exclusively designed Veri-Lite II™ is an industry setting standard portable lightweight ABS plastic folding leg table made with the strength to stand up to all your commercial table requirements.

With proven strength and quality the SICO Veri-Lite II™ ABS plastic table is backed by a genuine 5 year warranty and is used and preferred by community centres, hotels, function and conference centres.

Mobile Folding **Conference Tables**

SICO Multiapp Tables

Save Space and Time...

SICO Mobile Folding Tables save you space, time and labour costs with easy to operate folding mechanisms. nested storage allows for a smaller footprint in your storage areas and allows multiple tables to be moved at one time.

MultiApp IIS

With its clean, classic colours and lines, this table makes a statement. Featuring dual-sided seating and ample leg room, the MultiApp IIS lives up to its name as a multi-purpose table. Use as a conference, catering, or banqueting table. The applications are limitless. Durable swivel casters make mobility easy.

MultiApp

With the mobile, versatile MultiApp table, you can be meeting-ready in seconds. It requires no caddy so it can be rolled into action by just one person. Choose from a variety of trending laminate colours to match your décor – each with our rugged Armor-Edge® edging. Also available with data ports.

NEW Flip-Tech

Designed in the UK, Flip-Tech Meeting & Workspace Tables incorporate an innovative neutrally pivoted release mechanism, with integrated adjustable dampening. Available in a variety of styles and able to accommodate an extensive range of top shapes and sizes. Flip-Tech Table frames provide a robust, reliable & affordable solution for reconfigurable furniture within all environments.

Mobile Folding Boardroom Tables

We apply as much engineering innovation to product storage as we do product performance. For example, our spacious conference tables fold down quickly into a tight vertical formation and can be rolled away in seconds, by just one person. It doesn't get much easier than that.

Table Skirting & Accessories

Table Skirting

Table skirting is one of the most popular ways to professionally drape tables for functions, events, conference and meeting rooms as well as buffet presentations and many more applications. Our skirting has proved to outlast and outperform inferior fabrics which are available in the market place today. Investing in quality skirts that are made to last allows your team to rely on your skirts in day to day operations. All of our fabrics are made to limit ironing and pressing between events and will not go out of shape when stored correctly.

Fitted Table Covers

Custom made to fit your existing tables our range of fitted table covers come in a variety of fabrics to best suit your decor and freshed up your meeting and food & beverage displays quickly.

Special Fabrics

Got a special room that that needs an elegant look? Speak to our product consultants about our range specialty fabrics in a range of patterns and colours. Custom made to order in lengths and heights to suit your requirements.

Attachment Clips

We stock a range of table skirting attachment clips with hook and loop.

Order online via our exclusive table skirting clip site:

www.skirtingclips.com.au

Stacking **Banquet Chairs**

SICO Multiapp Tables

SICO 227 Chairs Sydney ICC

Proven Durability & Quality

Our team has proudly supplied our customers with a consistently superior quality banquet chair range for over 25 years.

With high quality powder coating, endless range of fabrics and strong welded metal frames, each chair is designed to withstand daily use in the harshest of hospailty and conference environments.

Comfort. Style. Durability

Add elegance and style to any banquet, conference or convention set up.

Our premium range of profile options and each chair has its own distinctive features including tapered legs, sleek handle design and optional extras including arm rests. Preferred by designers, FF&E consultants and venue managers for proven durability in vigorous daily use.

Chair Trolleys

Our standard trolley features a support frame which extends beyond stack for easy and safe loading of chairs. Featuring durable carpet to protect chair frames from damage. Each chair stack is picked up without user having to tip it and additional rear arm is fitted with swivel castor allowing for easier wheeling. Trolleys also feature a back locking castor and high quality powder coated finish.

Portable Staging & Risers

One Person Set Up

When you're looking for dependable staging, it has to be SICO. We're proud to be the go-to company for innovative staging solutions that bring solid support and impeccable style to any event. With SICO's mobile stage and risers systems, storage is a snap. Our units can be rolled away in minutes, freeing up your staff to focus on other important tasks.

TechLite™*

TechLite™ makes it easy to tailor a stage and riser system to fit small or large spaces – and without the need for tools. With adjustable and fixed heights, optional anti-slip Riga Heksa Plus Decking or carpet, our Power Lock™ leg-fastening system and more, the TechLite™ is a versatile performer you can count on.

**Patent Pending*

Tri-Height

Our Tri-Height mobile stage is available with three variable height adjustments and reversible decks, making for a versatile system. Designed for maximum set-up flexibility. The Tri-Height can be used as a head table riser, speaker platform, or runway. The possibilities are endless. Single person operation means rooms can be turned quickly, with minimal labour.

1800 Series

The original mobile folding stage. Manufactured by SICO.

The dual-height and single height 1800 series offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability. A single person operation means rooms can be turned quickly, with minimal labour. This saves of both money and time for any operation.

Portable **Dance Floors**

SICO Cam-Lam in Northern Birch with Gold Trim
Dockside Function Centre, Darling Harbour Sydney

The Original Go-To Dance Floor Company

SICO® invented the first professional portable dance floor in 1964 and continues to stay a step ahead of the competition. In fact, more dance moves and more dance memories have been created on SICO® floors than any other brand! When you want to give your guests the best, it has to be SICO®.

Original Parquet

The Original portable dance floor is the perfect solution for facility that requires a durable yet economical portable dance floor. Lightweight and easy to assemble, SICO's Original portable dance floor provides a solid, stylish, solution for any event.

Starlight II*

With the rugged Starlight II, the sky's the limit. This safe, secure portable dance floor is built to withstand the rigors of outdoor use. It combines a high-pressure laminate surface with a high-density fiberglass reinforced foam inner core, positioned between sheets of sturdy aluminum. And our Cam-Lock positive locking system streamlines set-up and take-down.

**Patented*

Cam-Lam*

Available in a variety of laminate designs from a wood plank look to a modern or rustic finish. SICO's Cam-Lam dance floor delivers a maintenance-free finish that resists scratching and fading. And it features our positive Cam-Lock system for automatic panel alignment and a fast, secure fit – making set-up simple!

**Patented*

Cam-Lock

Available in classic Heritage Oak and Natural Oak styles, our Cam-Lock dance floor is the perfect choice for frequent usage. The Cam-Lock system makes aligning panels and trim fast and easy. The perfect solution for facilities who require the beauty of real wood and the convenience of a quick set up.

In Room Dining Solutions

Food Warmer Transporters

Our Uni-Fold table is ideal for single or double-serve situations and smaller plate presentations. Like all SICO® tables, it's designed for smooth, quiet rolling on any surface, so dishes won't rattle or tip and your staff won't disturb guests. The perfect combination of performance and style.

Bi-Fold

The Bi-Fold table is available with an oval or square top. Leaves fold down for transport, then fold out for service. A durable and rugged table for operation, this premier in-room dining table will allow you to create a premier in-room dining experience for your guests.

Tri-Fold

Exclusive SICO® design, the Tri-Fold is the only table available where the leaves lock in an upright position for transport. This feature, available on both the oval and square top, greatly reduces spillage and breakage. The top easily tilts to a vertical position for storage.

Nesting Storage

Optimising your storage room is a breeze with our room service tables. They fold easily and roll together into a tight vertical nesting alignment. And there's no lifting needed!

Electric Food Warmers

The Socializer needs no caddy. In fact, one person can easily fold and roll this table into service or storage. There is no lifting necessary, no parts to assemble, and no hassles! Because of its unique leg design and folding top, the Socializer nests in a minimum of storage space and each additional unit requires only 15.24 cm of storage width.

Premium **Roll Away Beds**

Preferred By Housekeepers

Each SICO® Mobile Sleeper features a lightweight design and durable swivel casters that allow you to transport the unit easily and quietly on any surface. With a easy to clean base and foundation it's easy to see why SICO beds are preferred by guests and the staff who set up and use in busy hotels and resorts.

Standard Top

Treating your guest to a comfortable, quality night's sleep has never been easier. SICO's standard mobile sleepers utilise a conventional mattress and foundation which can generate additional revenue for your facility while providing the perfect night sleep for your guest.

Pillow Top

For extra pampering and an ultra-plush sleeping experience, SICO's pillow top mobile sleeper is the solution for your facility. The pillow top mattress and foundation provide premier comfort.

100% Australian Made Mattresses

Each SICO® Mobile Sleeper features a lightweight design and durable swivel casters that allow you to transport the unit easily and quietly on any surface.
